

# Terms & Conditions of Use

## Limited License

Subject to the terms and conditions set forth in this Agreement, Environmental Engineering Services grants you a non-exclusive, non-transferable, limited right to access, use and display this Site and the materials thereon. You agree not to interrupt or attempt to interrupt the operation of the site in any way. All information on this website is provided for information only.

Environmental Engineering Services authorizes you to view and download the information at this website for personal use only, non-commercial use. This authorization is not a transfer of title for the information and is subject to the following restrictions:

- You must retain, on all copies of the information downloaded, all copyright notices;
- You may modify the information in any way, reproduce, publicly display, distribute or otherwise use it for any public or commercial purpose; and
- You must not transfer the information to any other person unless you give them notice of, and they agree to accept, the obligations arising under these terms and conditions of use.
- You may download and print one copy, for your reference, of documents available from this site. For anything else, please contact us.

You agree to abide by all additional restrictions displayed on this website as it may be updated from time to time. You agree to comply with all applicable copyright laws in your use of this website and to prevent any unauthorized copying of the contents.

## Conditions of use of the Environmental Engineering Services web site

Please read these terms carefully before using this site. This website and domain name are provided by Environmental Engineering Services and may be used for informational purposes only. By using the site or downloading materials from the site, you agree to abide by the terms and conditions set forth in this agreement. If you

do not agree to abide by these terms and conditions, do not use or download materials from the site.

Environmental Engineering Services has made reasonable efforts to ensure that information provided on this website is accurate at the time of inclusion. However, there may be inadvertent and occasional errors for which Environmental Engineering Services apologises.

Environmental Engineering Services makes no representations or warranties of any kind about the information provided on its website or via hypertext links or any other item used either directly or indirectly from the website and reserves the right to make changes and corrections at any time, without notice. By accessing this website, you agree that Environmental Engineering Services will not be liable for any inaccuracies or omissions or any direct, special, indirect or consequential damages or losses, or any other damages or losses of whatsoever kind resulting from whatever cause through the use of any information obtained either directly or indirectly from or through Environmental Engineering Services website and any decisions based on such information are the sole responsibility of the visitor.

## External Links to the website

All links to this website must be approved in writing by Environmental Engineering Services, except that Environmental Engineering Services consents to links in which:

- the link is a text-only link containing only the name "*Environmental Engineering Services*";
- the link directs only to [www.eesaustralia.com.au](http://www.eesaustralia.com.au) website and not to deeper pages;
- the link, when activated by a user, displays that page full-screen in a fully operable and navigable browser window and not within a window or frame on the linked website; and
- the appearance, position, and other aspects of the link may neither create the false appearance that an entity or its activities or products are associated with or sponsored by Environmental Engineering Services nor be such as to damage or dilute the goodwill associated with the name and trademarks of Environmental Engineering Services or any affiliate or subsidiaries. Environmental Engineering Services reserves the right to revoke this consent to link at any time at its sole discretion.

## Third party links

This website may contain links to information hosted on other Internet sites, which are maintained by third parties. Environmental Engineering Services is not responsible for any content that is being provided by others. Should you decide to visit any linked site, you do so at your own risk and it is your

responsibility to take all protective measures to guard against viruses or other destructive elements. Environmental Engineering Services makes no warranty or representation regarding, and does not endorse, any linked websites or the information appearing thereon or any of the products or services described thereon. Links do not imply that Environmental Engineering Services or this website sponsors, endorses, is affiliated or associated with, or is legally authorized to use any trademark, trade name, logo or copyright symbol displayed in or accessible through the links, or that any linked site is authorized to use any trademark, trade name, logo or copyright symbol of Environmental Engineering Services or any of its affiliates or subsidiaries.

#### **PDF**

Most of the documents available from this site - including all our information sheets - are in Adobe Acrobat (.pdf) form, which you can view with Adobe Acrobat Reader. If you do not have Adobe Acrobat Reader installed, you can download it from Adobe's site at <http://get.adobe.com/reader>.

#### **Caching**

You are NOT permitted to cache these pages on a local server, other than in the course of normal internet service.

#### **Photos, logo & video libraries**

Any images, logos and / or videos on this website are the copyright of Environmental Engineering Services. No reproduction of these images, logos or videos is permitted without the written consent of Environmental Engineering Services.

#### **Disclaimer**

All reasonable effort has been made to provide accurate information however we do not warrant or represent its accuracy and we reserve the right to make changes to it at any time without notice. To the maximum extent permitted by law, Environmental Engineering Services will not be liable for any cost, loss or damages of any kind arising out of the use of any information contained on the website or Environmental Engineering Services failure to provide access to internet websites or information updates. The information on this website is copyright to Environmental Engineering Services. You may download publicly accessible information for your personal use only but you may not reproduce it for any other purpose without our express permission. Your use of the website is governed by the Environmental Engineering Services website Terms and Conditions of Use.
